If you're looking for a great just-out-of-the-city living experience, or a LEED-certified condo, it's a great time to take a look at the [Winthrop Club](#) in Evanston. Just off the Purple Line, the newly completed building has 60 one to three bedroom units ranging from \$299,000 to \$1.4 million.

Buyers can choose their own green finishes, from a low-flow toilet to Energy Star appliances, and also have access to green roofs. The building also includes a sun deck, pool and club room. Granite countertops and Italian cabinetry are also available.

The 15-story building is at 1570 Elmwood Ave., just south of Davis Street in Evanston. Check it out!
